

Long-term EU budget 2021-27 (MFF)

Programme for Research and Innovation Horizon Europe

„Knowledge, research and education are important drivers of European innovation and competitiveness and are also key to the successful implementation of the European Green Deal“

Programme for Germany's Presidency of the Council of the European Union (p. 10)

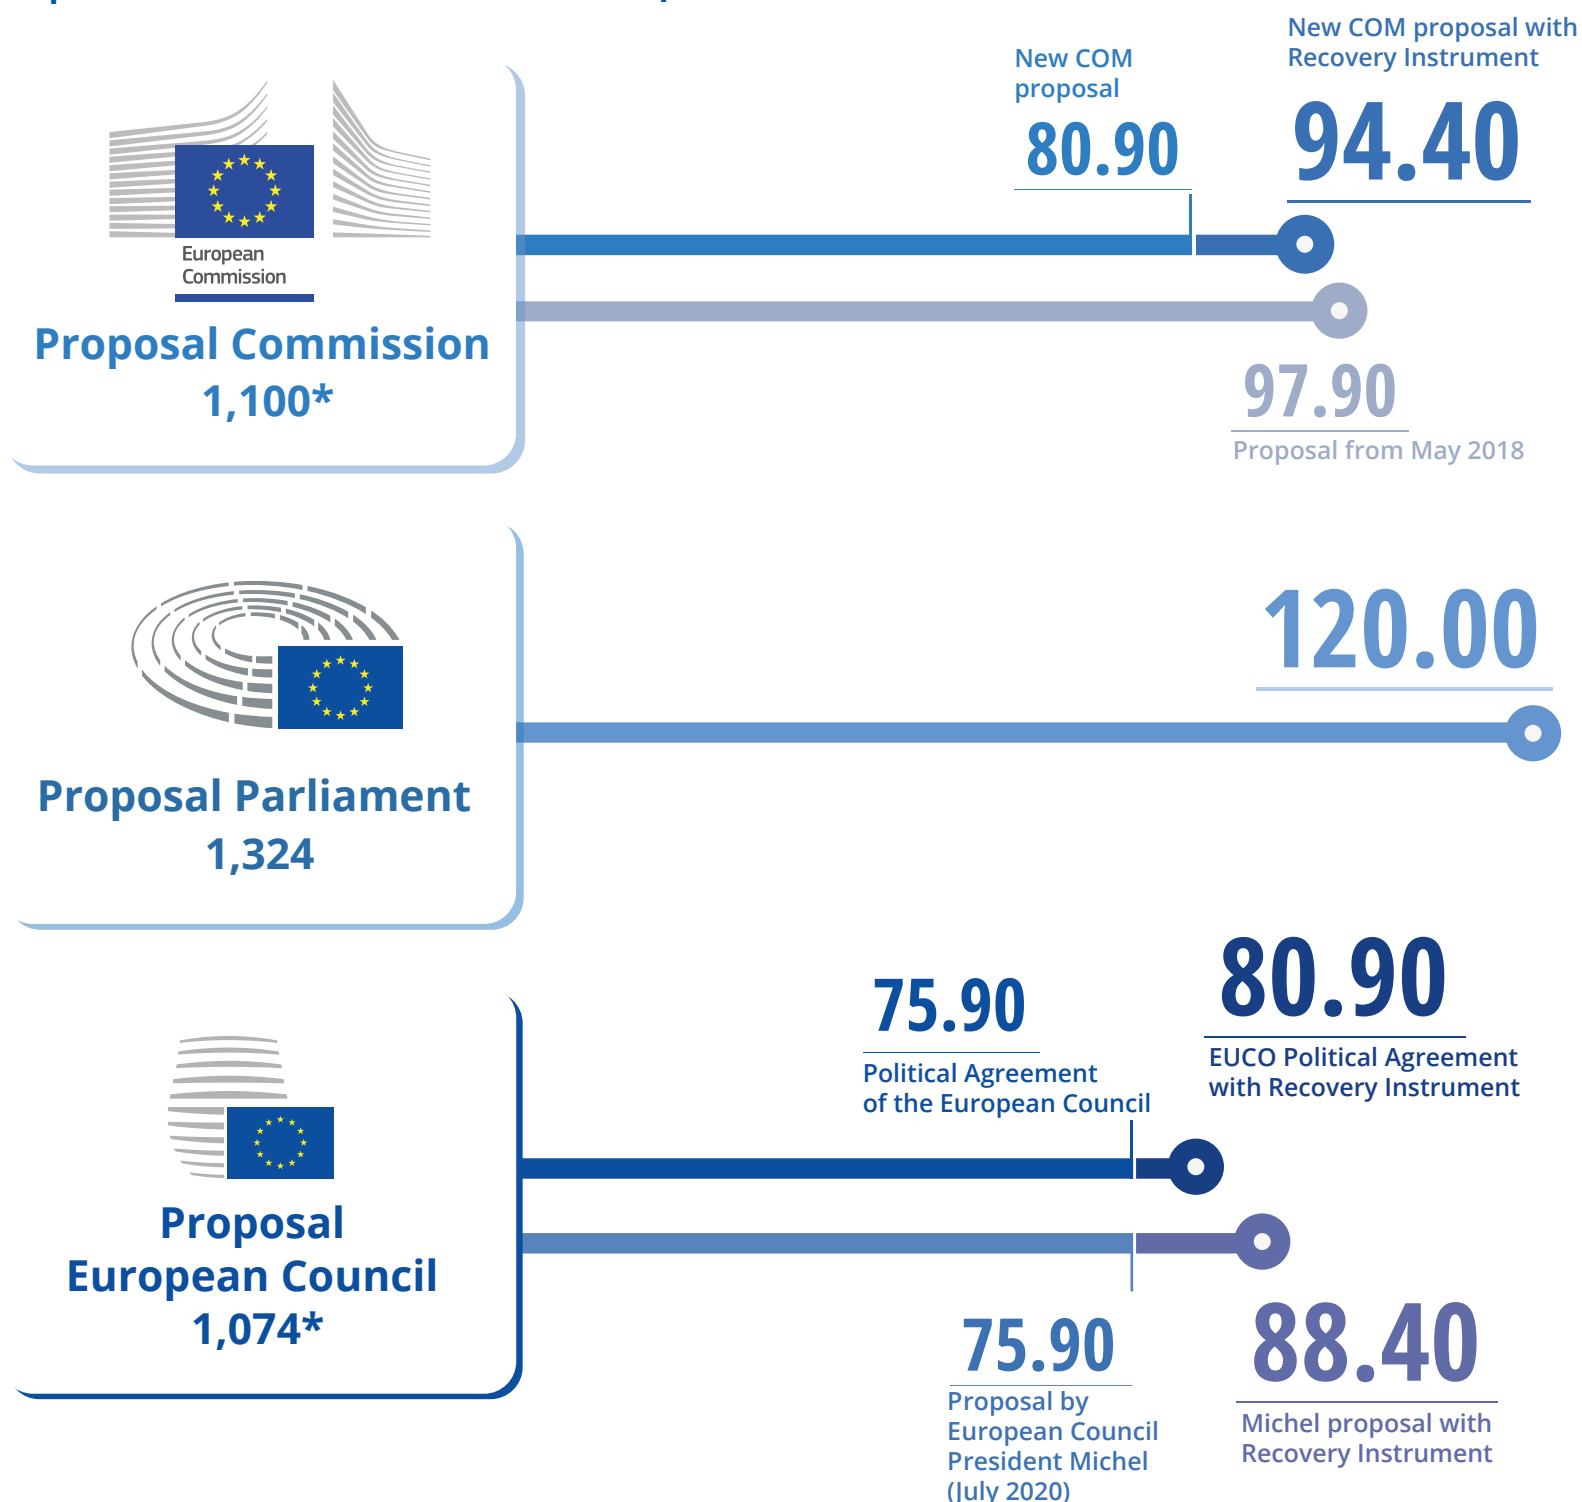

✓ Political demand of EM Germany

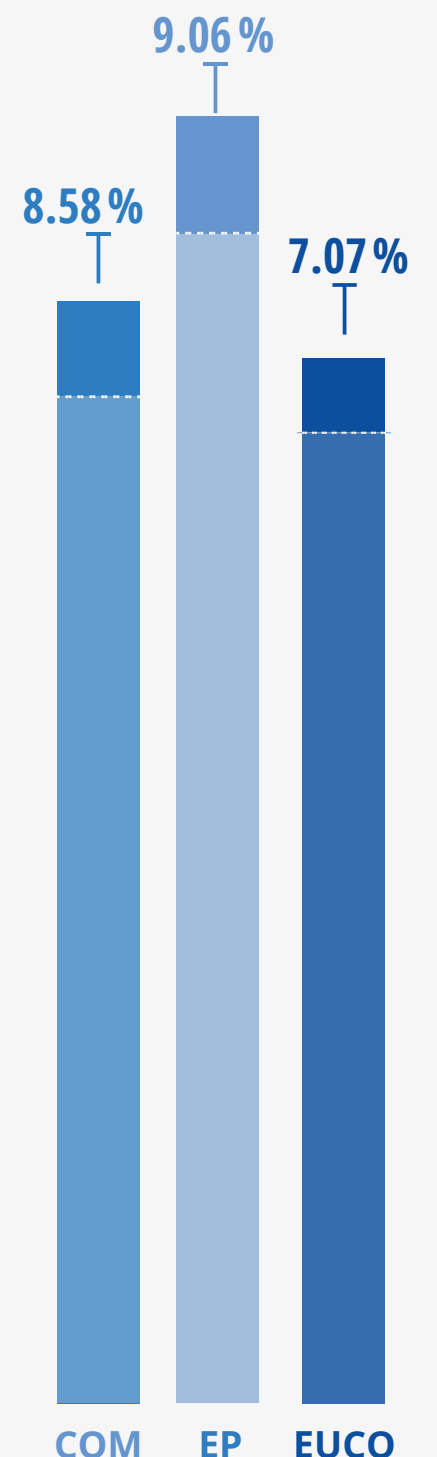

"In order to promote growth and job creation in line with the Sustainable Development Goals, decision-makers in Germany and at European level should increase public investments in education, research and social infrastructure and implement structural reforms throughout the European Union."

For a future-oriented single market 2019/20

Proposal in billion euros (in 2018 prices)

Share of total budget (without Recovery Instrument)

*To facilitate comparison, the proposals by the Commission and the European Council represent only the Multiannual Financial Framework (MFF), excluding the Recovery Instrument.
