## Assessment on the basis of EM Germany's priorities

- ✓ Important to EM Germany
- Implement swiftly the EU budget 2021-27, including the recovery instrument and the rule of law conditionality
  - Carry forward with commitment the rule of law dialogue in the Council of Ministers and reform the fundamental values procedure of Art. 7 TEU
  - Promote media pluralism and strengthen the resilience of democracy against disinformation and hate speech in the digital age
  - Initiate the Conference on the Future of Europe in January
  - Achieve progress in the accession talks with the Western Balkans
  - Stop the erosion of Schengen

- 🔍 Missing?
- Commitment to increasing transparency in the Council
  - Debate on new own resources for the EU
