

Priorities of the Czech Presidency of the Council of the EU

#EBDGrifik

Assessment on the basis of EM Germany's priorities

Exemplary activities

✓ Important to EM Germany

- Obtain an agreement in the Council on the EP proposal for a European Convention
- In parallel: fully exploit the possibilities of the existing treaties in implementing the proposal of the Conference on the Future of Europe, including the passerelle clause
- Intensify support for Ukraine and Moldova, especially in strengthening democratic structures and the rule of law in line with the Copenhagen criteria
- Start swiftly accession negotiations with North Macedonia and Albania and initiate visa liberalisation with Kosovo
- Achieve quickly Council approval of the EP proposal for a coherent European electoral law
- Stop the erosion of the Schengen free movement
- Building on the results of the French Presidency, achieve tangible results in reform of the Common European Asylum System

🔍 What is missing?

- Specific pledges to start EU accession negotiations with North Macedonia and Albania
- Council's approaches to the EP proposals on the European Convention and the reform of the European electoral law
- Ambitions for more transparency in the Council
